

Project Manager WIN-T

Project Manager WIN-T Acronyms

INC 1b - Warfighter Information Network-Tactical Increment 1b
4G LTE/Wi-Fi – 4G Long Term Evolution/ Wireless Fidelity
BnCPN – Battalion Command Post Node
BVTC - Battlefield Video Teleconference
DIRECT - Disaster Incident Response Emergency Communications Terminal
EMC2 - Enroute Mission Command Capability
HCLOS - High Capacity Line Of Sight
JNN – Joint Network Node
MNE - Mission Network Enclave
RHN – Regional Hub Node
SSS - Single Shelter Switch
STT - Satellite Transportable Terminal
THN - Tactical Hub Node
TRILOS - Tri-band Line Of Sight radio
Tropo/Tropo Lite - Troposcatter transmission system
UHST - Unit Hub SATCOM Truck

Product Manager WIN-T Inc 2
MCN-B – Modular Communications Node-Basic
NOSC-B – Network Operations and Security Center-Brigade
NOSC-D– Network Operations and Security Center-Division
NOSC-L - Network Operations and Security Center-Lite
PoP – Point of Presence
SNE – Soldier Network Extension
STT+ - Satellite Transportable Terminal Plus
STT-HP - Satellite Transportable Terminal High Power
TCN - Tactical Communications Node
TCN-L - Tactical Communications Node-Lite
TR-T – Tactical Relay Tower
VWP – Vehicle Wireless Package

Product Manager WIN-T Inc 3
HNW equipped – Highband Network Waveform
NCW – Network-Centric Waveform
NetOps – Network Operations

Product Manager SATCOM
DKET - Deployable Ku band Earth Terminal
GBS - Global Broadcast Service
GRIPP - Global Rapid Response Information Package
GTACS - Global Tactical Advanced Communication Systems
MILSATCOM Sys Eng – Military Satellite Communications Systems Engineering
Phoenix - Phoenix
NGN-AWS – Next Generation Network – Army Watercraft System
SATCOM Special Projects – Satellite Communications Special Projects
SCAMP -- Single-Channel, Anti-jam, Man-Portable terminal
SMART-T - Secure, Mobile, Anti-Jam, Reliable, Tactical – Terminal
SNAP - Secure Internet Protocol Router Network/Non-secure Internet Protocol Router (SIPR/NIPR) Access Point
STT/UHST – Satellite Transportable Terminal/Unit Hub Satellite Communications Truck
T2C2 - Transportable Tactical Command Communications
T-CDMP – Tactical-Computer Digital Mission Planner

Product Support Manager CPS&I
HCCC - Harbormaster Command and Control Center
SICPS - Standardized Integrated Command Post System
